Descriptif

Unbeatable views over the Glacier des Bossons and the Aiguilles de Chamonix. Belvedere lookout. Chalet-restaurant. A great spot to contemplate before the glacier. Information boards describing the life and history of the glacier. Back in the day ... bar and hotel owners in the valley used to cut ice from the glacier for use in their premises.

Above the village, take the Chemin du Chens, which winds its way across meadows

and on into the forest. Follow this path to the top of the chairlift and the chalet.

You can also continue further on, to the Chalet des Pyramides and even to La Jonction.
