Descriptif

From the village of Le Tour, take the path of Rocher Nay, leave on the right the path of Bisme which goes down to Montroc and cross the bridge of Bisme. Take the Petit Balcon, slightly ascending in the forest, leaving on the left the path of the return of Péclerey. In a corridor, leave the Petit Balcon and go up on the left by a path that leads to the fork where you join the path of Planet and Argentière. Continue up to the left by a long traverse: the larch forest is splendid. Many twists and turns over 250m of difference in level lead to the top of the forest. Cross to the left and descend slightly to the slab shelter under the Tête du Grand Chantet.
