Descriptif

Take the path to the left of the gondola and follow it along the parking lot, then leave the path to the left leading to the Pierre à Ruskin. Take the forest track passing under the cables of the cable car. Shortly after, turn left onto the path that crosses a fairly dense forest, but offers pleasant views of the valley. Cross the Petit Balcon Sud. We quickly reach the Plan des Chablettes where some ruins of a creamery remain. Then continue to climb following the signs for Planpraz - Altitude 2000.
